RE: Dominion Energy South Carolina, Incorporated Request for Approval of a  
Contract for Electric Service with DAK Americas LLC  
**Docket No. 2019-383-E**

Dear Ms. Boyd:

By this letter, the South Carolina Office of Regulatory Staff ("ORS") hereby notifies the Public Service Commission of South Carolina ("Commission") that ORS has reviewed the filing submitted by Dominion Energy South Carolina, Inc. ("DESC" or "Company") for approval of the Third Amendment to Contract Number E9105031 and the Sixth Amendment to Contract Number E0299001 ("Amendments") to the Contracts for Electric Service between DESC and DAK Americas LLC ("DAK").

**Overview of Company's Request**

DESC (formerly South Carolina Electric & Gas Company) has provided electric service to DAK through initial contracts at DAK's Cooper River Plant since 2005 and to DAK's Sandy Run Plant since 1999. These initial contracts have been amended periodically since their initial approval by the Commission. The agreement for electric service for DAK's Cooper River Plant was most recently amended on October 1, 2015. The agreement for electric service for DAK's Sandy Run Plant was most recently amended on December 1, 2014.

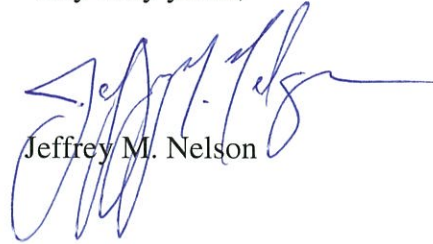

In the Company's request, the Amendments will provide service to DAK's Cooper River Plant and Sandy Run Plant effective on January 1, 2020 and shall be in full force and effect through December 31, 2024. The Amendments were executed on December 11, 2019 and filed with the Commission on December 17, 2019.

**ORS Recommendation**

ORS has reviewed the Company's request for approval of the Amendments and recommends that the Commission approve the Amendments. In addition, ORS has no objection to the request for confidential treatment of certain provisions in the Amendments.

Please do not hesitate to contact either me if you have any questions.

Very truly yours,
